WINDA MARITO
Front-End Developer
Depok | No. Telp: 081210268105 | Email | LinkedIn | Github/Portofolio

SUMMARY

Enthusiastic front-end developer with a strong foundation in implementing UI/UX principles into responsive and user-friendly web applications. Proficient in converting designs into clean code using React, JavaScript, and HTML/CSS. Experienced in web design using Figma and committed to delivering high-quality web solutions

EDUCATION

Digital Talent Scholarship Program (Fresh Graduate Academy), Hactive8 x IBM (Agust 2024 – Oct 2024)
Web Development and React.js – Score: 100,00/100,00 (Transcript)
Learning Materials: HTML & CSS, JavaScript, GIT, React.js, Redux, Testing and React Native
Achievements: Successfully completed a web development program focused on React.js by developing a Country Rank Population Web App as the final project.

Digital Talent Scholarship Program (Fresh Graduate Academy), Progate (May 2024 – July 2024)
Mobile App Development With React Native
Learning Materials: HTML & CSS, JavaScript, GIT, React.js, TypeScript, and React Native
Achievements: Successfully completed a mobile app development program in React Native by building a Weather App and Movie App as final projects.

Bachelor of Computer Science, Universitas Bina Sarana Informatika (2019 - 2023)
Department of Information Technology – GPA: 3.94/4.00
Relevant Coursework: Web Development (HTML, CSS, JavaScript, PHP, and MySQL), Mobile Development (Flutter), Data Structures and Algorithms.

MSIB Program Batch 3, StartUp Campus (August 2022 – December 2022)
UI/UX Design – Score: A (Transcript)
Learning Materials: UI/UX Design, Figma, Customer Discovery, Product Design, Prototyping and Testing.
Achievements: Lead a team of 5 members in the final project, designing an e-commerce website to assist young people with thrifting using Figma. Applied UI/UX principles and design thinking methodology, improving research, analysis, and prototyping skills. The project achieved a score of 89.6.

TECHNICAL SKILLS

Languages: JavaScript
Front-End: HTML, CSS, Bootstrap, React.js
Web Technologies: RESTful APIs, JSON, AJAX, Redux
Tools: GIT, Figma, Visual Studio Code, Chrome DevTools.

EXPERIENCE

Badan Kepegawaian Negara (BKN) – Jakarta, Indonesia
Internship - Web Design (September 2022 – December 2022)

- Crafted website designs using Figma, ensuring a visually appealing and user-friendly interface.
- Meticulously planned website workflows and business processes to optimize user experience and streamline operations.
- Developed comprehensive design specifications to guide front-end developers in translating Figma designs into functional web pages.
- Collaborated effectively with front-end developer and back-end developers to ensure seamless integration and a cohesive user experience.

PROJECT

Movie Mobile App
June 2024
Developed a mobile based app for movie browsing and management, featuring a comprehensive database, favorite management, and search functionality.
Tech Stack: React Native, TypeScript, Expo, Restful API.

Weather Mobile App
June 2024
Developed a mobile app for weather forecasting, providing users with real-time weather updates and forecasts. Features include location-based weather data, hourly and daily forecasts, and an intuitive user interface.
Tech Stack: React Native, Expo, Restful API

Country Population Rank
October 2024

Developed a responsive web application to display country population rankings, incorporating a news section and a comparison tool for analyzing data between two countries.
Tech Stack: React.js, Redux, Bootstrap, RESTful API

CERTIFICATION & ADDITIONAL SKILLS

Digital Talent Scholarship Program (Fresh Graduate Academy) *Issued on October 2024*
Hactive8 X IBM *No expiration date*
Web Developments and React Bootcamp
Certificate: 1959095840-345/FGA/BLSDM.Kominfo/2024

IBM SkillsBuild *Issued on September 2024*
Web Developments Fundamentals *No expiration date*
Certificate: 4e3bf631-f28f-49eb-a459-48a69891af38

Digital Talent Scholarship Program (Fresh Graduate Academy) *Issued on July 2024*
Progate *No expiration date*
Mobile App Development with React Native
Certificate: 1957887840-996/FGA/BLSDM.Kominfo/2024

National Profesional Certification Agency (BNSP) *Issued on Augst 2023*
Software Development Program Analyst *Expiration date Augst 2026*
Certificate: 62010 2514 0000398 2023

Kampus Merdeka MSIB *Issued on December 2022*
Startup Campus *No expiration date*
UI/UX Design
Certificate: MSIB Certificate
